

Looking forward together

- Improve our gardens by providing habitats for wildlife
- Implementing a waste management policy with a focus on reducing, re-using and recycling
- Working with suppliers to ensure they acknowledge and decrease the environmental impact of their products and transportation
- Publishing and distribution of an annual organisational sustainability report
- Undertaking independent annual audit with Investors in the Environment

PCS Doncaster will continue to improve our environmental management system through annual reviews and updates, considering any changes in legislation, our organisation, and other factors. We will convey this policy to all our colleagues ensuring that they are provided with training to increase awareness of environmental matters.

Angela Goodyear is our Green Champion and has designated responsibility for the day-to-day implementation of this policy. Please contact angelagoodyear@pcsonline.org.uk if you have any queries.

PCS Doncaster will make this policy available when requested to interested parties and members of the public. A copy of our Environmental Policy can also be found on our website.
