# St. Francis Pet Cemetery & Crematorium

Saint Francis Pet Cemetery and Crematorium is situated in the quiet and beautiful countryside of Fiddlers Green near Saint Newlyn East. Part of a family owned business that is extremely proud of the high quality services that are offered to pet owners.

Saint Francis is unique and is one of only a few pet cemeteries in the country that has consecrated grounds where pets and pet owner's ashes can be interred together.

## Individual Cremations

All cremations take place individually with the ashes of each pet being placed in a casket, urn or memorial of your choice.

For those who wish to have a permanent resting place you can spread your pet's ashes within the Garden of Remembrance. You can then add a memorial or rose bush as a permanent focal point for when you visit.

## Full Burial Service

If desired a full burial service can be offered at our beautiful private pet cemetery. This would include viewing in the chapel of rest, pall bearers, committal service and memorial plaque. Headstones are also available.

## Gardens of Remembrance

Within our beautifully kept Garden of Remembrance you will find Companion Corner, where you can scatter the ashes of your pet and place a memorial plaque along with the Tree of Remembrance, where memorials (leads, collars, small toys) can be left. The Tree of Remembrance is also lit-up during the Christmas period.

## Chapel of Rest

On arrival you will be greeted by our sympathetic team and shown into the Chapel of Rest facilities where you can spend time in peace to say your final goodbyes.

You may also wish to put an entry into the Book of Remembrance which is displayed in the chapel for an everlasting memorial.

## Memorials

A wide selection of headstones, plaques, caskets, and urns are available. Commemoration Roses and shrubs can be planted and dedicated to the everlasting memory of your pet.

## Hours of opening

You can place floral tributes or just spend some quiet moments, reflecting on fond memories, sitting in the gardens or by our ornamental pond during daylight hours.
